

2006 SUMMER EMPLOYMENT OPPORTUNITIES

Resource Aide I
Salary: \$7.78 - \$9.89

Resource Aide II
Salary: \$8.66 – \$11.02

RESOURCE AIDE I: Entry level position in resource field. Performs and assists in fire management, forest management and/or hazard management projects, generally as a member of a crew.

MINIMUM QUALIFICATIONS: Knowledge of use of hand and power tools and equipment used in wildland fire fighting; ability to read and write; to perform strenuous work for extended periods of time; ability to learn use of radio, maps, surveying equipment, timber marking and cruising equipment.

RESOURCE AIDE II: A trained member of a crew performs and assists in fire and forest management projects. May perform as a leader of a small crew in the absence of crew foreman.

MINIMUM QUALIFICATIONS: One (1) season of experience with the Department of Lands, most likely as a Resource Aide I or comparable experience and/or education (minimum two years of college education in resource-related field or at least one season of work experience in related field, such as Forest Service, BLM, state or private.

SPECIAL REQUIREMENTS FOR BOTH RESOURCE AIDE I AND RESOURCE AIDE II:

- A valid driver's license may be required in some jobs.
- You must be physically able to walk over rough and steep terrain for eight (8) to twelve (12) hours on a daily basis.
- Persons under 18 years old will not be hired to operate power tools.

Length of Jobs: Anywhere from three to eight months – from late March through early November, depending on job, weather and location. Individuals applying for fire control positions may be required to commit to employment until mid-September.

Application Forms: Available at all area offices and Boise Central Office, 954 West Jefferson, Boise, ID 83720-0050, phone (208) 334-0200, www.idaho.gov/lands

Closing Date: April 30, 2006. Late applications will be accepted if vacancies still exist. Some positions will be filled before the closing date so mail or e-mail your application as soon as possible.

GENERAL INFORMATION:

Some jobs may require assignment to remote areas or working away from the duty station over two weeks.

Exposure and work in difficult weather conditions, such as rain, snow, heat, cold, dust and wind. Hazards include exposure to smoke and fire, explosives and pesticides.

All positions may require performing wildland fire suppression activities.

Jobs require passing a test designed to measure physical fitness and to predict ability to sustain arduous work.

A criminal background investigation may be conducted at any time.
